General Safety information

For your comfort and safety and to help you get the most out of your experience, it is important that you read and follow the safety rules and guidance notes below when visiting and fishing our sites.

We would also encourage adults and parents to point out these safety considerations to children:

- Look out for and abide by any safety notices or warning signs – they are there to protect you.
- Children under the age of 14 years must be accompanied by an adult.
- Please make yourself familiar with life saving equipment before fishing.
- To avoid slipping, please wear ankle supporting footwear with good grip and take extra care on dam walls and grassy banks.
- Always check behind you before casting in case anyone is passing by.
- Keep rods and lines away from overhead power cables.
- In an electrical storm, cease fishing, put the rod down and move well away from it.
- Beware of adders (Britain's only venomous snake); if you spot one please leave it alone, they are harmless if left undisturbed.
- Waterside Parks Rangers reserve the right to cancel or suspend fishing due to adverse weather or any other safety consideration.
- Unauthorised swimming in all Northumbrian Water reservoirs is prohibited.
- Be prepared to help others in difficulty but do not put your own life at risk.
- The lighting of fires is not allowed.
- For the comfort and safety of all visitors to our sites all dogs must be kept on a lead.

This list is not exhaustive if in doubt please consult our Waterside Parks Ranger Team.
